C#m G#m D# G#m

C#m G#m
When the sins of my father
D# G#m
Weigh down in my soul
C#m G#m
And the pain of my mother
D#m G#m
Will not let me go

C#m G#m
Well I know there can come fire from the sky
D# G#m
Till we find the purest of kings
C#m G#m
Even though I know this fire brings me pain
D# G#m
Even so, I'm just the same

Chorus

C#m G#m
Make it rain, Make it rain down Lord
D# G#m
Make it rain, Oh, make it rain
C#m G#m
Make it rain, Make it rain down Lord
D# G#m
Make it rain, Oh, make it rain

The seed needs the water
 Before it grows out of the ground
 But it just keeps on getting hard
 And the hunger more profound

Well I know there can come tears from their eyes
 But they may as well be in vain
 Even though I know these tears come with pain
 Even so, I'm just the same

Chorus

And the seas are full of water
 Stops by the shore
 Just like the riches of grandeur
 Oh, no no, never reach the poor

And let the clouds fill with thunderous applause
 And let lightning be the veins
 Fill the sky with all they can drop
 When it's time to make a change
