

# Outlaw In 'Em

Waylon

Intro: **Em**

**Em**

It's a fine, fine line

**A G Em**

Between whiskey, and water, and to wine

**Em**

It's a long way home

**A G Em**

When you're down and out and out here on your own

**B B7 D**

But it don't matter who you are when it's time to lock and load

**E**

Everybody's got a little outlaw in 'em

**G**

Gold piece hiding in their blacked out denim

**A E**

Heartbeat beating to a rock 'n' roll rhythm, yeah

**E**

Everybody got a couple scared up knuckles

**G**

Blood on their boots and their back up buckle

**A**

Diamond back rattle with the quick strike venom

**E Em**

Everybody's got a little outlaw in 'em

**Em**

When they knock you to the ground

**A G Em**

You ain't gonna let nobody keep you down

**Em**

When you're backed against the wall

**A G Em**

That's when you gotta learn to stand up tall

**B B7 D**

Yeah, that rebel fights inside of you that's been there all along

**E**

Everybody's got a little outlaw in 'em

**G**

Gold piece hiding in their blacked out denim

**A**

**E**

Heartbeat beating to a rock 'n' roll rhythm, yeah

**E**

Everybody got a couple scared up knuckles

**G**

Blood on their boots and their back up buckle

**A**

Diamond back rattle with the quick strike venom

**E**

**G A B B7**

Everybody's got a little outlaw in 'em

**E**

Everybody's got a little outlaw in 'em

**G**

Gold piece hiding in their blacked out denim

**A**

**E**

Heartbeat beating to a rock 'n' roll rhythm, yeah

**E**

Huh, everybody got little front man swagger

**G**

Stone cold rolling like a young Mick Jagger

**A**

A new tattoo that you can't keep hidden

**E**

**E G A**

Everybody's got a little outlaw in 'em, yeah,

**E**

**G E**

Everybody's got a little outlaw in 'em, aw
